

Name	Sphere
Content	100% Silicone
Backing	100% Polyester
Width	54 inches
Repeat	Approx. 13 ½" H. x 20 ½" V.
Application	Upholstery
Features & Benefits	Inherently Flame Resistant Inherently Antimicrobial and Antifungal Inherently Stain, Ink, and Denim Dye Resistant
Environmental	CA Proposition 65 Compliant Meets Criteria for Healthier Hospital Initiative Non-Toxic, Odorless Qualifies for LEED v4 MR Credit 5 AB-2998 Compliant: Flame Retardant Free ANSI/BIFMA M7.1 and X7.1, RoHS 2.0, REACH, CAL 01350 Does Not Contain: PVC, PU, Solvents, Fluorocarbons, Plasticizers, Formaldehyde, Phthalates, BPA, Antimony, Lead, Heavy Metals, Perfluorinated Compounds, Flame Retardant or Antimicrobial chemicals.

This Fabric Has Passed:

Flammability	California Bulletin 117-13; UFAC: Class 1/NFPA 260; FMVSS-302, IMO Part 8 (International Maritime Organization)
Abrasion	500,000* Double Rubs (Wyzenbeek Method) *Abrasion test results exceeding ACT Performance Guidelines are not an indicator of product lifespan. Multiple factors affect fabric durability and appearance retention.
Print Retention	ASTM D3389 Class 4.5
Lightfastness	650 Hours
Cleaning	WS, Bleach Cleanable using 20% Bleach Maximum/80% Water Solution Cleaning instructions are available at arc-com.com/sphere

Custom colors are available through our ArcCom Options® Studio.

Dye lots may vary slightly.
