Created with a conscience, Quest is a continuation of our partnership with the SEAQUAL INITIATIVE to combat marine plastic pollution. Waste made wonderful, this lightly textured fabric is woven entirely from post-consumer recycled plastic - transforming it into a fabric as fluid as the waves by which it was inspired, and which it seeks to save. With a hopsack weave enhanced by discat-dyed SEAQUAL® YARN, Quest brings a touch of the ocean's natural beauty to commercial interiors.

We actively encourage our furniture customers to sign up to the SEAQUAL INITIATIVE when selling furniture upholstered in Quest. Find out more at www.seaqual.com/register.

Quest meets the ACT voluntary Performance Guidelines and is classified for Heavy Duty Upholstery.

*Abrasion test results exceeding ACT Performance Guidelines are not an indicator of product lifespan. Multiple factors affect fabric durability and appearance retention. We're confident in the durability of our products so we provide a robust 10 year guarantee (full details available). This product is externally certified, details of which are on our website and available from our customer services team. Batch to batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Camira Fabrics Limited.

*Les résultats des tests d'abrasion dépassant les directives de performance ACT ne sont pas un indicateur de la durée de vie du produit. De multiples facteurs affectent la durabilité du tissu et la conservation de son apparence. Nous sommes confiants dans la durabilité de nos produits, nous offrons donc une solide garantie de 10 ans (tous les détails sont disponibles). Ce produit est certifié en externe, dont les détails sont sur notre site Web et disponible auprès de notre équipe de service à la clientèle. Des variations de teinte d'un lot à l'autre peuvent se produire dans les tolérances commerciales. Nous nous réservons le droit de modifier les spécifications techniques sans préavis.
