

Pattern: **Wrangler**
AC#: **64810 - 64835**
Content: **100% Polycarbonate Polyurethane**
Bleach Cleanable: **May be cleaned with bleach following the proper ratio of 90% water : 10% bleach.**
Finish: **WriteOut**
Cleaning Code: **WS**

General Cleaning Recommendation:

Regular Cleaning & Maintenance (Dirt/Grime):

Clean the soiled area with mild soap and water, then rinse with fresh water and wipe dry with a clean cloth.

Food Stains/Oils (Mustard, Ketchup, Chocolate, Coffee/Tea, Salad Dressing):

Wipe the affected area with a soft cloth with appropriate pressure. If some stain persists, clean with mild soap and water. Rinse with fresh water and wipe dry. For stubborn stains, spot clean with a 70% dilution of isopropyl alcohol and water and wipe. Rinse with fresh water and wipe dry.

Healthcare (Blood, Urine, Betadine):

Wipe the affected area with a soft cloth with appropriate pressure. If some stain persists, spray it with a 70% dilution of isopropyl alcohol and water and wipe. Rinse with fresh water and wipe dry. Disinfection: This material will withstand a 20% solution of household bleach and water. It is important to rinse the cleaned area with fresh water after applying the bleach solution.

Ink Marks/Graffiti (Ballpoint Pen, Permanent Marker):

Rub the affected area with a dry soft cloth with firm pressure. If some stain is still present, spray with a 70% dilution of isopropyl alcohol and water and wipe. Rinse with fresh water and wipe dry.

NOTE: Removal of ink, particularly permanent marker, may vary depending in the period of time that the ink sets in. While this material offers excellent protection, full removal is not guaranteed.

Denim Dye Transfer (Blue Jeans):

This material is designed to withstand the transfer of most types of indigo dye. In the case that faint dye transfer is visible, this can typically be removed with a 70% dilution of isopropyl alcohol and water.

NOTE: Removal of indigo dye, particularly from wet jeans, may vary depending on the type of denim. While this material offers excellent protection, full removal is not guaranteed.

The cleaning recommendations above are a guide to help in the maintenance of Arc-Com textiles. They are supplied without warranty, representation or inducement of any kind, including, but not limited to, the implied warranties of merchantability and fitness for a particular use or purpose. Arc-Com neither guarantees, nor will take any responsibility for, specific results as testing of these products was conducted under laboratory conditions and results may vary under actual conditions. Any misuse of cleansing agents may void the Arc-Com UPHOLSTERY WARRANTY & PERFORMANCE GUARANTEE.

Under no circumstances shall Arc-Com be liable for any incidental, consequential, or other damage resulting from negligence, misuse, mishandling or exposure to any of the chemicals used in connection with the cleaning or maintenance of Arc-Com textiles. Information or questions relating to chemicals or cleaning solvents, environmental use, and human exposure should be reviewed with the appropriate vendors or suppliers. Users must read the product specifications and determine appropriateness for specific applications. All label instructions on their use and precautions should be followed.

Cleaners only recommended if diluted per manufacturer's instructions. Topical cleaners must be wiped off with clean water and dried with a clean cloth following application. For any cleaner not listed, please inquire at 800.223.5466 x4882.
